27. ELIGIBILITY

27.1 As previously indicated, it is a pre-condition that our Services are only used and contracts are only formed by those who are permitted to enter legally binding agreements. **THEREFORE, IF THERE IS ANY REASON WHY YOU WOULD NOT BE ABLE TO ENTER A LEGALLY BINDING AGREEMENT WITH US, FOR WHATEVER REASON - DO NOT USE OUR SERVICES.** Such reasons could include, but are not limited to persons that have not yet reached the age of 18 or are defined as Minors that have not yet reached legal age.

27.2 Due to our internal policies, we only permit people with sufficient experience, knowledge and understanding in financial

investments, who possess the personal ability of identifying good investments and distinguishing bad investments, and who fully understand the risks associated with financial investments, independently from any information that they may have read on our Online Trading Facility, to use our Services.

IF YOU DO NOT POSSESS SUCH KNOWLEDGE INDEPENDENTLY, DO NOT USE OUR ONLINE TRADING FACILITY.

27.3 The *Directive of the European Parliament and of the Council of 21 April 2004 on Markets in Financial Instruments* (hereinafter referred to as the “**Markets in Financial Instruments Directive**” or “**MiFID**”) makes a distinction between services that are simply a matter of execution and those where prior assessment is required of the extent to which the service and/or the product is suitable to the client’s needs and appropriate to the client’s level of knowledge and experience. In the latter instances, MiFID requires certain information on clients to be obtained and formally assessed in order to ensure such suitability and appropriateness; to satisfy this requirement, we have designed tests (“**Suitability Test and Test of Appropriateness**”), which we will apply to clients before providing investment services, depending on:

- a. the client categorization/classification assigned in accordance with the principles set out hereinafter;
- b. the nature of the investment service in question;
- c. the type of financial instrument involved in providing the service;

27.4 Information thus obtained will be used exclusively for the assessment referred to hereinabove.

27.5 Notwithstanding any of the above, the above mentioned eligibility restrictions shall only apply in cases where our Services involve the use of real money. The above restrictions shall NOT apply to use of any practice application not associated with real money transactions (such as, “**Demo Accounts**”).

28. CLIENT CATEGORIZATION UNDER MIFID

28.1 The *Directive of the European Parliament and of the Council of 21 April 2004 on Markets in Financial Instruments* (hereinafter referred to as the “**Markets in Financial Instruments Directive**” or “**MiFID**”) establishes a client categorization/classification regime in three (3) categories intended to reflect both customers’ level of knowledge and experience in the financial markets and their ability to understand and take on the risks arising from their investment decisions, in order to adapt protective measures to the particularities of each category of investor. In compliance with such requirements imposed under MiFID, we categorize/classify our clients in three (3) main categories:

- a. **Eligible Counterpart(y)ies (“ECP(s)”)**: a category that includes: (a) **per se eligible counterparties** (*i.e.*, entities automatically treated as eligible counterparties), such as investment firms, credit institutions, insurance companies, undertakings for the collective investment of transferable securities (“**UCITS**”), pension funds and national governments, as well as, (b) entities that may be treated as eligible counterparties with their consent, such as large undertakings (that meet specified size tests) and clients who may be treated as Professional Clients in accordance with the prescribed opt up criteria; recognition by the MiFID Member State in which they are established is required for the latter entities to be treated as ‘**Eligible Counterparties**’; for this type of customer MiFID provides for a basic level of protection since these are entities that by their very nature must operate directly and frequently in the financial markets;
- b. **Professional Clients**: a category that includes all of the entities that fall within the ‘*Eligible Counterparty*’ category referred to above (such as investment firms, credit institutions, insurance companies, undertakings for the collective investment of transferable securities (UCITS), pension funds and national governments), plus a handful of others, such as ‘institutional investors whose main activity is to invest in financial instruments’ and exceptionally some individuals who may be treated as professionals on request; Professional Clients are deemed to have more investment knowledge and experience and are provided with less protection under MiFID, since they are assumed to have sufficient knowledge of the markets and financial instruments to be able to take their own investment decisions and to understand and take on the concomitant risks; and
- c. **Retail Clients**: a category that includes clients not falling within the Eligible Counterparty/Professional Client categories, who are deemed to have less investment knowledge and experience; they receive the maximum level of protection provide for by MiFID both in carrying out the tests and in the scope of the pre- and post-contractual documentation and

information that must be made available to them; this category includes the majority of individuals;

- 28.2 MiFID also establishes objective criteria, which we have followed in carrying out the classification and communicating the outcome to clients individually, and which it has incorporated into our client Classification Policy established for this purpose. In accordance with such requirements imposed under MiFID, we attach different levels of regulatory protection to each category and hence to clients within each category. In particular, Retail Clients are afforded the most regulatory protection; Professional Clients and Eligible Counter Parties are considered to be more experienced, knowledgeable and sophisticated and able to assess their own risk and are thus afforded fewer regulatory protections.
- 28.3 We will notify each client in writing as appropriate of the categorization/classification assigned. Any such categorization/classification, as well as any notification thereof, will be valid and will apply to all Accounts held by the client with us. Please note that you shall be treated as a **“Retail Client”**, unless we shall classify or reclassify you as a **“Professional Client”** or an **“Eligible Counterparty”**, depending on the information that you shall provide when completing the registration process or thereafter.

29. RIGHT TO REQUEST CHANGES TO THE MiFID CLASSIFICATION ASSIGNED

- 29.1 We offer our clients the possibility to request re-categorization and thus to increase or decrease the level of regulatory protections afforded. Where a client requests a different categorisation (either on an overall level or on a product level), the client needs to meet certain specified quantitative and qualitative criteria. On the basis of the client’s request, we undertake an adequate assessment of the expertise, experience and knowledge of the client to give reasonable assurance, in the light of the nature of transactions or services envisaged that the client is capable of making his/her own investment decisions and understanding the risks involved. However, if the above-mentioned criteria are not met, we reserve the right to choose whether to provide services under the requested categorization.
- 29.2 To request a change in client categorization, you will need to hand in the special form for this request, duly completed and signed. This form is available to you and can be downloaded from our Online Trading Facility as part of the Account Opening Application Form(s), which you need to complete to open an Account with us.
- 29.3 Acceptance of the request by us will depend on your compliance at all times with established legal and regulatory requirements for making the change effective, as follows:

A. OPT-DOWN FROM AN ELIGIBLE COUNTERPARTY

- 29.4 A client who is considered an Eligible Counterparty has the right to opt-down; this means that the client can request a higher level of protection, namely protection that is offered to a Professional client or Retail client; unless an Eligible Counterparty expressly and specifically requests treatment as a Retail client, the client’s request will be considered as a request to be treated as a Professional Client; an Eligible Counterparty has the right to a general opt-down, covering all business conducted with us or on a “product category basis”, provided, however, that we are not obliged to accept such a categorisation.

B. OPT-DOWN FROM A PROFESSIONAL CLIENT

- 29.5 A client who is categorised as a Professional Client has the right to opt-down to a Retail Client (with a higher level of protection) for all business conducted with us or on a “product category basis”, provided, however, that we are not obliged to accept such a categorisation; it is the sole responsibility of the client to ask in writing for this higher level of protection when the client is unable to properly assess or manage the risks involved in its investment decisions.

C. OPT-UP FROM A RETAIL CLIENT

- 29.6 A Retail Client has the right to request a lower level of protection as a Professional Client in respect of all its business with us or on a “product category basis”, provided, however, that we are not obliged to accept such a categorisation; In the specific case of a request for a change from Retail to Professional Client, such a request specifically implies the express renunciation of the right to be treated as a Retail Client and of rights to the associated level of protection; in this case at least two of the three following conditions must be marked as fulfilled on the form referred to, as required by MiFID: (a) to have carried out a significant volume of operations on securities markets in the last four quarters with an average frequency of more than ten (10) operations per quarter; (b) to have assets in the form of securities deposited in financial institutions and cash with a combined value of more than €500.000,-; (c) to hold or to have held in the past for at least one year a professional position in

Murren Trade

the financial sector requiring knowledge of the type of operations or services now being contemplated.

- 29.7 Upon receiving such a request for a lower level of protection as a Professional Client from a Retail Client who meets the above-mentioned criteria, we may, but are not obliged to, accept categorisation as a Professional Client for our Services, Transactions and/or Contracts.
- 29.8 Based on any of the above-mentioned requests for change, we will in each instance notify you, as appropriate, of the new classification assigned; any such new categorization/classification, as well as any notification thereof, will be valid and will apply to all Accounts held by you with us.

30. CLIENT CATEGORISATION CHANGES

- 30.1 Eligible Counterparties & Professional Clients have an obligation to inform us of any change that could affect their categorisation. If no such information is received from you, we will consider that you continue to meet the conditions to be categorised as an Eligible Counterparty or, as the case may be, a Professional Client.

- 32.2 In that connection, you hereby represent, warrant, covenant and agree that: (a) you are at least 18 years old, or the age of legal consent for engaging in financial investment activities under the laws of any jurisdiction that applies to you; (b) you are not politically exposed person, as defined in the ***Anti-Money Laundering (“AML”) & Know Your Customer (“KYC”) Legislation***, and you do not have any relationship (e.g., relative, associate etc.) with a person who holds or held during the last twelve (12) months any public position; (c) you shall be treated as a ***“Retail Client”***, unless we shall classify or reclassify you as a ***“Professional Client”*** or an ***“Eligible Counterparty”*** in accordance with the principles set out hereinabove, depending on the information that you shall provide when completing the registration process or thereafter (d) you are of sound mind and you are capable of taking responsibility for your own actions; (e) all the details that you have submitted to us or any details given to us when opening an account and making a deposit are true, accurate, complete and match the name on the payment card and/or payment accounts in which you intend to deposit or receive funds from your account; (f) you have verified and determined that your use of our Online Trading Facility does not violate any laws or regulations of any jurisdiction that applies to you.

A dealing Instruction or Order given by you to us shall not take effect until it is actually received by us. In this Agreement, unless the context requires otherwise, "**Instructions**" and "**Orders**" shall have the same meaning.
- 37.2 **Authority:** We shall be entitled to act for you upon Instructions given or purporting to be given by you or any Person authorised on your behalf (an "**Authorized Person**"), without further enquiry as to the genuineness, authority or identity of the person giving or purporting to give such Instructions. We do reserve the right, however, at our sole discretion, to reject the appointment of any representative/Power-of-Attorney authorized to act in your Account and we may elect, at our sole discretion, to dismiss and/or reject at any time any transactions performed by such representative/power of attorney. Pursuant to general rules regarding Powers-of-Attorney, you are accountable to us for losses or damages which we may suffer as a result of instructions from a Person who has explicit or tacit Power-of-attorney to give us Instructions on your behalf. We may refuse to act upon any Instruction from any Person authorised by you if we can render probable that the disposal pursuant to the instruction submitted would be in violation of the legislation relevant to the area, usual market practice, including but not limited to Anti-Money Laundering ("**AML**") & Know Your Customer ("**KYC**") Legislation, or pertain to insider trading, or if the disposal by our reasonable discretion will put you and/or our economic solidity at risk.

We may at our absolute discretion refuse to accept any dealing Instruction given by you or on your behalf, in whole or in part, and refuse to act on it, without giving any reason or being liable for any loss occasioned thereby. In addition, a dealing instruction which, for any reason, is not received by us in a manner in which it can be processed, including a failure of our Online Trading Facility to accept or process such Instruction, shall be deemed not to have been received by us.
- 37.6 **Control of Orders prior to execution:** We have the right (but no obligation) to set limits and/or parameters to control your ability to place Orders at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation): (i) controls over maximum Order amounts and maximum Order sizes; (ii) controls over our total exposure to you; (iii) controls over prices at which Orders may be submitted (to include (without limitation) controls over Orders which are at a price which differs greatly from the Market Price at the time the Order is submitted; (iv) controls over our Electronic Services (to include (without limitation) any verification procedures to ensure that any particular Order has come from you); or (v) any other limits, parameters or controls which we may be required to implement in accordance with Applicable Laws, Rules and/or Regulations.

The Company has the right to amend and/or cancel any Orders which have been executed within a very small timeframe and the cumulative sizes of those Orders exceed the maximum allowable Order size limit (i.e. a Client may place five orders within two seconds which individually are all below the maximum allowable Order size limit but exceed the limit on a cumulative basis).

- 37.7 **Order Execution Policy:** We shall use our reasonable endeavours to execute any Order promptly, but in accepting your Orders we do not represent or warrant that it will be possible to execute such Order or that execution will be possible according to your Instructions. In general, we shall act according to instructions as soon as practically possible and shall, as far as trading Instructions are concerned, act in accordance with our Order Execution Policy. If, after instructions are received, we believe that it is not reasonably practicable to act upon such instructions within a reasonable time, we may defer acting upon those Instructions until it is, in our reasonable opinion, practicable to do so, or we may notify you that we are refusing to act upon such Instructions. We shall not be liable for any losses resulting from such deferral or refusal. If we encounter any material difficulty relevant to the proper carrying out of an Order on your behalf we shall notify you promptly. We shall carry out an Order on your behalf only when the relevant Market is open for dealings, and we shall deal with any Instructions received outside Market hours as soon as possible when that relevant Market is next open for business (in accordance with the rules of that Market). You agree that we may execute an Order on your behalf outside a Market. When you give us a specific Instruction, our Order Execution Policy may not apply, and we may be unable to take the steps described in such policy to obtain the best possible result in executing your Order. You confirm that you have read and agree to our Order Execution Policy as published from time to time on our Online Trading Facility. We will notify you of any material changes to our Order Execution Policy, but it is your responsibility to check for any other changes to our Order Execution Policy as published from time to time on our Online Trading Facility. We will consider the continued placement of Orders by you to constitute your continued consent to our Order Execution Policy as in effect from time to time.
- 37.8 **Crossing of Orders:** We may arrange for a Transaction and/or Contract to be executed, either in whole or in part, by selling an investment to you from another client, or a client of an Affiliate of ours, or vice-versa. We shall not give you prior notice if we arrange for a Transaction and/or Contract to be executed in this manner.
- 37.9 **Aggregation and Split of Orders:** We are entitled, in our absolute discretion, to combine and/or aggregate your Orders with our own Orders and/or with Orders of any of our Associates and/or Persons connected with us, including employees and/or other clients. Furthermore, we may split your Orders when executing them. Orders will only be aggregated or split, however, if we reasonably believe it to be in your best interest. On some occasions, however, aggregation and split of your Order may

result in you obtaining a less favourable price in relation to a particular Order, than if your Orders had been executed, respectively, separately or mutually.

- 37.10 **Confirmation of Instructions:** We may (but shall not in any circumstances be obliged) to require confirmation of any Instruction in such form as we may reasonably request if it appears to us that such confirmation is necessary or desirable; or such Instruction is to close an Account or remit money due to you. It is your responsibility to inform us of any change to your e-mail address, the non-receipt of a confirmation, or whether any confirmations are incorrect, before settlement.
- 37.11 **Performance and Settlement:** You will promptly deliver any Instructions, money, documents or property, which we may require from you or which is deliverable by you under a Transaction and/or Contract in accordance with that Transaction and/or Contract, as modified by any Instructions given by us, for the purpose of enabling us to perform our obligations under the relevant matching Transaction and/or Contract on a Market or with an intermediate broker. If you do not provide us with such Instructions promptly, we may, at our absolute discretion, take such steps at your cost, as we consider appropriate for our own protection or for your protection. This provision is similarly applicable in situations when we are unable to obtain contact with you.
- 37.12 **Intermediate Brokers and other agents:** We may, at our entire discretion, arrange for any Transaction to be effected with or through the agency of an intermediate broker, who may be an Associate of ours, and may or may not be in Cyprus. Neither we, nor our respective directors, officers, employees or agents, will be liable to you for any act or omission of such an intermediate broker or agent. No responsibility will be accepted for intermediate brokers or agents selected by you.
- 37.13 **Position Limits:** We may, in our absolute discretion, require you to limit the number of open positions which you may have with us at any time and/or only allow you to enter into closing transactions or we may close out any one or more positions or reverse Transactions and/or Contracts in order to ensure that the position limits we have imposed are maintained.
- 37.14 **Fluctuations in Exchange Rates:** If you enter into any Transaction and/or Contract, any profit or loss arising as a result of a fluctuation in the exchange rate affecting such Transaction and/or Contract will be entirely for your account and risk.
- 37.15 **Trade Reporting:** Under Applicable Laws, Rules and/or Regulations we may be obliged to make information about certain Transactions and/or Contracts public. You agree and acknowledge that any and all proprietary rights in such Transaction and/or Contract information are owned by us and you waive any duty of confidentiality attaching to the information which we reasonably disclose.
- 37.16 **Rollover:** If we do not receive Instructions from you to settle any open Transactions and/or Contracts by the close of the Business Day, we are hereby authorized (but not obliged) to transfer all said Contracts to the next business date traded ("**Rollover**"), as provided in further detail in Section 43 hereinafter.

38. ELECTRONIC TRADING TERMS

- 38.1 **Settlement/Trade Confirmation:** You acknowledge the electronic nature of our Services via our Online Trading Facility and the inherent risk that communications by electronic means may not reach their intended destination or may do so much later than intended for reasons outside our control. Accordingly, any Instruction sent by you or on your behalf via our Online Trading Facility or by e-mail shall only be deemed to have been received and shall only then constitute a valid Instruction and/or binding Contract between you and us, when such Instruction has been recorded as executed by us and confirmed by us to you through a Settlement/Trade Confirmation, and the mere transmission of an Instruction by you or on your behalf shall not by itself constitute a binding Contract between you and us.
- 38.2 **Communications via the Internet:** Since we do not control signal power, its reception or routing via Internet or any other means of electronic communication, configuration of our clients' equipment or reliability of its connection, we shall not be liable for any claims, losses, damages, costs or expenses, including attorneys' fees, caused directly or indirectly, by any breakdown or failure of any transmission or communication system or computer facility belonging to us, nor for any loss, expense, cost or liability suffered or incurred by you as a result of Instructions being given, or any other communications being made, via the Internet. You will be solely responsible for all Orders, and for the accuracy of all information, sent via the Internet using your Access Codes. We will not execute an Order until we have confirmed the Order to you and transmission of an Order by itself shall not give rise to a binding Transaction and/or Contract between you and us.

- 38.5 **Pricing Data:** Unless otherwise indicated or agreed upon any prices shown on our Online Trading Facility are indicative at the time shown based on data that is subject to constant change. - 38.6 **Restrictions on Services Provided:** There may be restrictions on the total value and/or number of Transactions and/or Contracts that you can enter into on any one day and also in terms of the total value and/or number of those Transactions and/or Contracts when using our Online Trading Facility.

41. CONSENT TO RECEIVE ELECTRONIC TRANSMISSION OF TRADE CONFIRMATIONS AND ACCOUNT STATEMENTS

- 41.1 You consent to receive all Account information and Settlement/Trade Confirmations via the Internet and that Orders or instructions given to you via e-mail or other electronic means will constitute evidence of the Orders or Instructions given. - 41.3 If you no longer wish to communicate via electronic media, you must notify us and revoke this consent in writing. If you do not wish to communicate via electronic media at all, you must inform us of your wishes when applying to open an Account with us. However, if you revoke your consent, your access to our Online Trading Facility may be restricted or terminated, at our sole discretion.
- 41.4 As previously indicated, any such communications being made via electronic media shall be treated as satisfying any legal requirement that a communication should be signed and 'in writing', to the extent permitted by Applicable Laws, Rules and/or Regulations Furthermore, you hereby waive any rights or requirements under any Applicable Laws, Rules and/or Regulations in any jurisdiction which require an original (non-electronic) signature or delivery or retention of non-electronic records, to the extent permitted under applicable mandatory law.

42. RECORDING OF TELEPHONE CONVERSATIONS, INTERNET CONVERSATIONS (CHAT), AND MEETINGS

- 42.1 Your telephone conversations, Electronic Messaging, e-mails, internet conversations (chat), meetings and other communications with us may be recorded/maintained by us. Any recordings shall be and shall remain our sole property and will be accepted by you as conclusive evidence of their content as recorded by us. You agree that we may deliver copies of transcripts of such recordings to any court, regulatory or government authority, including without limitation, in disputes which may arise between you and us.
- 42.2 However, technical reasons may prevent us from recording a conversation, and recordings or transcripts made by us will be destroyed in accordance with our normal practice. Consequently, you should not rely on such recordings to be available.

43. ROLLOVER AND OFFSET INSTRUCTIONS

- 43.1 Rollover is the process of extending the settlement date of an open position (*i.e.* date by which an executed trade must be settled). The forex market allows two business days for settling all spot trades, which implies the physical delivery of currencies. In margin trading, however, there is no physical delivery, so all open positions must be closed daily at end-of-day (22:00 GMT) and re-opened on the following trading day. This pushes out the settlement by one more trading day. This strategy is called rollover.
- 43.2 Rollover is agreed on through a swap contract which comes at a cost or at a gain for traders. We do not close and re-open positions, but will charge you a fee in respect of each such position and debit/credit your trading Accounts for positions held open overnight, depending on the current interest rates (LIBOR/LIBID with added mark-up) ("**Rollover Fee**"). As 2:00 GMT is considered to be the beginning and the end of a forex trading day, any positions which are still open at 22:00 GMT sharp are subject to rollover and will be held overnight. Positions opened at 22:01 are not subject to rollover until the next day, but if you open a position at 21:59, a rollover will take place at 22:00 GMT. For each position open at 22:00 a credit or debit appears on your account within 1 hour, and will be directly applied to your equity account.
- 43.3 The Rollover Fees that we charge will be published on our Online Trading Facility. We shall attempt to collect such Rollover Fees from the free balance in your Account with us. In the event that we are unable to collect such Rollover Fee(s) from the free balance in your Account with us, we reserve the right to close part, or all, of your open positions as per our Order Execution Policy. You shall be liable for promptly paying all Rollover Fees(s), even if all Margin previously deposited by you has been lost.

Murren Trade

43.4 In the absence of clear and timely instructions from you, we are authorised, at our absolute discretion, to offset all or any portion of the positions in your Account(s) or to make or receive delivery on your behalf upon such terms and by such methods deemed reasonable by us.

CHAPTER E: MARGIN DEPOSITS, COLLATERAL AND PAYMENT

44. MARGIN AND COLLATERAL

- 44.1 **Contingent liability:** Where we effect or arrange a Transaction and/or Contract, involving, for instance, a Contract for Differences, you should note that, depending upon the nature of the Transaction or Contract, you may be liable to make further payments when the Transaction and/or Contract fails to be completed or upon the earlier settlement or closing out of your position. You will be required to make further variable payments by way of Margin against the purchase price of the investment, instead of paying (or receiving) the whole purchase (or sale) price immediately. The movement in the Market Price of your investment will affect the amount of Margin payment you will be required to make.
- 44.2 **Margin call:** You shall pay us on demand: (a) such sums of money as we may from time to time require as Security for your obligations to us; (b) any amount necessary for maintaining a positive balance in any and all of your Accounts with us; and (c) such sums of money by way of deposits or as initial or variation Margin, in respect of and as Security for your actual, future and contingent liabilities to us in such amounts and in such forms as we, in our absolute discretion, may require. You accept that our Online Trading Facility operates with an automated risk monitoring, Margin Call and Stop-out facility designed to monitor the overall utilization of clients' available collateral in support of our prevailing Margin and cash funding requirements for the Transactions and/or Contracts they are entering into via our Online Trading Facility; using this automated risk monitoring, Margin Call and Stop-out facility, we will, unless otherwise stated, apply initial, maintenance or close out Margin call at the prevailing Margin Call or Stop-out levels, as stated from time to time on our Online Trading.
- 44.3 **Margin requirements:** We may change our Margin requirements at any time. Any requirement for Margin payments must be satisfied within such time as may be specified by us or, if none is specified, immediately. One Margin call does not preclude another.
- 44.4 **Margin requirements prior to and during Market Disruption:** Without prejudice to clause 44.3 above, the Company at its sole discretion may temporarily require higher margin for placing new Orders for any specific or all Financial Instruments (compared to the normal margin requirements of the Client's account) in the following cases:
- Prior to and/or during Friday market closure.
 - Prior and/or during to any other market closure for any specific or all Financial Instruments.
 - Prior and/or during to any major news announcements, such as, but not limited to, the Nonfarm Payroll announcement made by the United States Department of Labor.
 - Prior and/or during to any anticipated abnormal Market conditions and/or Market Disruptions.

The above temporary increase of the margin requirements is only intended to affect new orders placed following the implementation of the new margin requirements and it will not affect any Orders which have been placed prior to the implementation of the new margin requirements.

- 44.5 **Form of Margin:** Margin must be provided in the form of cash or, only in those instances in which we may agree otherwise, other assets, such as collateral (by which we mean investments, securities, bonds or any other financial instrument, property or asset acceptable to us in lieu of cash) ("**Collateral**") (all together "**Assets**"). The currency of the cash Margin you pay to us shall be the currency of the relevant underlying Transaction (if applicable) or as we may in our discretion reasonably decide from time to time. Cash Margin is paid to us as an outright transfer of title and you will not retain any interest in it. Cash Margin received by us will be recorded by us as a cash repayment obligation owed by us to you.
- 44.6 **Non-cash Margin:** Where we agree to accept non-cash Collateral, it must be in a form acceptable to us. The value of the non-cash collateral and the proportion of that value to be taken into account for Margin purposes shall be determined by us in our absolute discretion. We shall apply such terms and conditions as to the acceptance, valuation and release of any Collateral you may provide as we may in our absolute discretion think appropriate. In particular, you are made specifically aware that we may determine, at our reasonable discretion, the value by which any such Collateral shall be registered and consequently contribute to our demands towards you and that we may continuously change the value of such Collateral without prior notice to you. In determining the amount of Collateral and the amount of our obligations to you, we may apply such methodology (including judgements as to the future movement of markets and values), as we consider appropriate, consistent with Applicable Laws, Rules and/or Regulations.

Murren Trade

- 44.7 **Security interest:** Our services to you are provided on the understanding that where you transfer money and/or Collateral to us by way of Margin or otherwise, we will treat this as a transfer of full ownership of such money and/or Collateral to us for the purpose of securing or covering your present, future, actual, contingent or prospective obligations, and we will not treat such money and/or Collateral as 'client Money', within the meaning of recital 27 of MiFID. Any such money and/or Collateral received by us from you or a third party for your account will be owed by us to you, even where we are acting as your Agent and you no longer have a proprietary claim over such money and/or Collateral transferred to us by way of Margin, and we can deal with it in our own right. Accordingly, without prejudice to any other provisions of this Agreement, we shall have the right to pledge, charge, loan or otherwise use or dispose of all or part of such money and/or Collateral provided to us by way of Margin, as if we were the beneficial owner thereof. We will transfer an equivalent amount of money and/or Collateral back to you where, at our sole discretion, we consider that the amount of money and/or Collateral you have transferred to us is more than is necessary to cover your present and future obligations to us. You agree that Collateral provided in the form of investments will be returned to you in the form of investments of the same description and amount as those accepted by us as Collateral, but that any such Collateral returned to you need not be the actual investments provided by you.
- 44.8 **Failure to meet Margin call:** You are responsible for maintaining appropriate arrangements with us at all times for the receipt and communication of information regarding Margin. You shall promptly deliver any money or property deliverable by you in respect of any Transaction or Contract in accordance with the terms of that Transaction or Contract and with any instructions given by us for the purpose of enabling us to perform our obligations under any corresponding Transaction or Contract entered into between us and a third party. If you fail to provide us with Margin, deposits or other payable amounts in accordance with the terms of any Transaction or Contract within the required time, we will be entitled, at our sole discretion, to close out any open Transaction or Contract without prior notice to you and apply any proceeds thereof to payment of any amounts due to us and/or, as we deem fit at our sole discretion, exercise our rights in accordance with Section 85 below.
- 44.9 **Currency Conversion:** All initial and subsequent calls for Margin shall be made in the currency of the Transaction and/or Contract, or in the currency of your Account as we determine, in such amounts as we may in our absolute discretion require; we are authorised to convert funds in your account for Margin into and from such foreign currency at a rate of exchange determined by us on the basis of the then prevailing money market rates. In such circumstances, we will not be liable to you for any loss suffered by you as a result of such action (although, we will use reasonable endeavours to only convert such funds as may prudently be required to cover the position in respect of the relevant transaction).
- 44.10 **Refusal to accept Margin:** We reserve the right to return to you at any time, with or without reasons and without being obliged to provide you with any justification of explanation, any Assets deposited with us by way of Margin, Collateral, deposits or otherwise.

45. MARGIN CALL POLICY / MARGIN CALL LEVEL / STOP-OUT LEVEL

- 45.1 You accept that our Online Trading Facility operates with an automated risk monitoring, Margin Call and Stop-out facility designed to monitor the overall utilization of your available collateral in support of our prevailing Margin and cash funding requirements for the Transactions and/or Contracts you are entering into via our Online Trading Facility; using this automated risk monitoring, Margin Call and Stop-out facility, we will, unless otherwise stated, apply initial, maintenance or close out Margin call at the prevailing Margin Call or Stop-out levels, as stated from time to time on our Online Trading Facility.
- 45.2 Our Margin Call Policy guarantees that your maximum possible risk is your Account equity. If the equity in your Account drops to 50% of the Margin Level required to maintain your open positions ("Margin Call Level"), you will receive a Margin Call. This is a warning message that the equity in your Account is not enough to support your open positions. At this point, you will not be able to take any new position and you will have the option to deposit sufficient money in order to maintain your open positions. When you have losing positions, your Margin Level will go down and may become close to the Margin Call Level. When you have winning positions, your Margin Level will go up and the Margin Call Level may become more remote.
- 45.3 As a service, our dealers will attempt to contact clients who are accustomed to dealing by telephone when their open positions reach Margin Call Level. All clients are, however, fully and personally responsible for monitoring the activity of their Accounts, including, without limitation, whether and when their open positions reach Margin Call Level.
- 45.4 The "**Stop-out Level**" is the level of your equity where our Online Trading Facility will start automatically to close trading positions (starting from the least profitable position and until the Margin Level requirement is met) in order to prevent

Murren Trade

further account losses into the negative territory. For standard account holders the Stop-out Level is equal to 20% of the Margin Level required to maintain your open positions. For micro account holders the Stop-out Level is 20% of the Margin required to maintain your open positions.

- 45.5 In the case where a 'Stop Order' or 'Limit Order' (or 'Entry Stop' or 'Limit') is entered at the same price that would trigger a Stop-out, the Stop-out will be executed when that price is touched (or gaps through the price) and all pending Orders attached to that trade will be cancelled.

A MARGIN CALL OR, AS THE CASE MAY BE, STOP-OUT, WHEN TRIGGERED, WILL TAKE PRECEDENCE OVER OTHER ORDER TYPES.

46. SECURITY

- 46.1 ***Security interest:*** All Assets belonging to you which we may at any time be holding for you (either individually, jointly with another, or as a guarantor of the account of any other person) or which may at any time be in our possession or control or carried on our books for any purpose, including safekeeping, are to be held by us as Security for the performance of your obligations to us and held subject to a general lien and right of set-off for any of your liabilities to us and irrespective of the number of Accounts you may have with us. Without limitation such Security shall comprise the credit balances on your Account(s), any securities registered as belonging to you on our books, and the value of your open positions with us. We may, in our absolute discretion and without notice to you, apply and/or transfer any or all Assets belonging to you between any of your accounts with us and combine or set off between accounts and convert any currency into another. Without prejudice to any other rights to which we may be entitled, we may at any time and without notice to you set off any amounts (whether actual or contingent, present or future) at any time owing between you and us paying you the difference.
- 46.2 ***Secured Obligations:*** Furthermore, as a continuing Security for the performance of all your obligations (whether actual or contingent, present or future) to us under or pursuant to these Terms and Conditions (the "***Secured Obligations***") you grant to us, with full title guarantee, a first fixed Security interest in all your Assets now or in the future provided by you to us or to our Order or under our direction or control or otherwise standing to the credit of your Account(s) under these Terms and Conditions or otherwise held by us or our nominees on your behalf. You agree that we shall be able to realise and apply such Assets in or towards satisfaction of all or any part of any Secured Obligations that are due and payable to us at any time without notice to you and without being liable to you for any loss which may arise through such realisation.
- 46.3 ***Further assurance:*** You agree to execute such further documents and to take such further steps as we may reasonably require in order to perfect our Security interest over, be registered as owner of or obtain legal title to any Margin provided to us, secure further the Secured Obligations, enable us to exercise our rights or to satisfy any Market requirement.
- 46.4 ***Substitution:*** You may not withdraw or substitute any Assets or property subject to our Security interest without our prior express and written consent.
- 46.5 ***Set-off on Default:*** If an Event of Default occurs (as defined hereinafter) or this Agreement terminates, we shall set-off the balance of cash Margin owed by us to you against your obligations (as reasonably valued by us) to us. The net amount, if any, payable between us following such set-off, shall take into account the amounts payable to us under the Clause headed "***Netting***" of this Agreement.
- 46.6 ***Right to pledge, re-pledge, hypothecate, invest or loan:*** You hereby warrant and represent that any property or Assets you transfer to us as Collateral under these Terms and Conditions are free from any lien, Security interest or other encumbrance other than the lien created under these Terms. You hereby also grant to us the right to pledge, re-pledge, hypothecate, invest or loan, either separately or with the property of other clients any Collateral we hold for you whether, to ourselves as broker or to others in satisfaction of our clients' obligations to us or such third party.
- 46.7 ***Negative pledge:*** You undertake neither to create nor to have outstanding any Security interest whatsoever over, nor to agree to assign or transfer, any of the cash or non-cash Margin transferred to us, except a lien routinely imposed on all securities in a clearing system in which such securities may be held.
- 46.8 ***Power to charge:*** You agree that we may, to the extent that any of the Margin you provide us with under these Terms and Conditions constitutes "***financial collateral***" and this Agreement and your obligations hereunder constitute a "***security financial collateral arrangement***", free of any adverse interest of yours or any other person, grant a Security interest over

Murren Trade

Margin provided by you to cover any of our obligations to an intermediate broker or Market, including obligations owed by virtue of the positions held by us or other of our clients.

- 46.9 **Power of appropriation:** You further agree that, to the extent that any of the Margin you provide us with under these Terms and Conditions constitutes “*financial collateral*” and this Agreement and your obligations hereunder constitute a “*security financial collateral arrangement*”, we shall have the right to appropriate all or any part of such ‘financial collateral’ in or towards discharge of any Secured Obligations. For these purposes, you agree that the value of such ‘financial collateral’ so appropriated shall be the amount of the Margin, together with any accrued but un-posted interest, at the time the right of appropriation is exercised. It is further agreed and understood that the method of valuation provided for in this Agreement shall constitute a commercially reasonable method of valuation for the purposes hereof.
- 46.10 **Power of sale:** If an Event of Default occurs (as defined hereinafter), we may exercise the power to sell all or any part of the Margin you provide us with under these Terms and Conditions and shall be entitled to apply the proceeds of sale or other disposal in paying the costs of such sale or other disposal and in or towards satisfaction of the Secured Obligations. Such sale shall take place by the means that we in our reasonable discretion determines and at the price that we in our reasonable discretion determine to be the best obtainable.
- 46.11 **General lien:** In addition and without prejudice to any rights to which we may be entitled under this Agreement or any Applicable Laws, Rules and/or Regulations we shall have a general lien on all Assets and property held on your behalf by us, our Associates or our nominees, until the satisfaction of all Secured Obligations. Without limitation, such general lien shall comprise the credit balances on your Accounts, the securities registered as belonging to you on our books, and the value of your open positions with us. We may, in our absolute discretion and without notice to you, apply and/or transfer any or all such Assets which you have deposited at any time with us or which may at any time be in our possession or control or carried on our books for any purpose, including safe keeping, between any of your Accounts with us and combine or set off between accounts and convert any currency into another. Without prejudice to any other rights to which we may be entitled, we may at any time and without notice to you set-off any amounts (whether actual or contingent, present or future) at any time owing between you and us paying you the difference.

CHAPTER F: COMMISSIONS, FEES AND CHARGES

47. COMMISSIONS, FEES AND CHARGES

- 47.1 You shall pay to us such fees and charges (including, without limitation, spreads, charges, interest and other fees) (“*Commissions and Charges*”) at such rates as are notified by us to you from time to time or published on our Online Trading Facility. By accepting these Terms and Conditions, you acknowledge that you have read, understood and accepted the information under the Spreads and Conditions Schedule posted on our Online Trading Facility, in which all such Commissions and Charges (including, without limitation, spreads, charges, interest and other fees) are explained.
- 47.2 We reserve the right to amend, alter, modify, delete or add to any of these Commissions and Charges at any time and at our sole discretion. When these Commissions and Charges are modified (hereinafter referred to as “*Changes*”) we will post such Changes on our Online Trading Facility and/or otherwise notify you of such Changes, each such notification of which shall be deemed as sufficient notice and it is your duty to consult and/or to check regularly the information posted under the Spreads and Conditions Schedule on our Online Trading Facility regarding any such Changes. 60.6 Before accepting any credit card deposits and/or making any such credit card deposits available into your Account with us, we must be fully satisfied that you are the legitimate owner/user of the credit card used and that it is you, as the legitimate owner/user of the credit card, who is making and/or authorizing the deposit by credit card; in those instances where we are not satisfied that you are the legitimate owner/user of the credit card used and that it is you, as the legitimate owner/user of the credit card, who is making and/or authorizing the deposit by credit card, we reserve the right to refuse the credit card deposit(s) in question and to refund/send back the net amount deposited to the same credit card account and via the same payment method through which such deposit(s) was/were made. 60.8 Credit/debit card transactions are generally processed within minutes of being requested. The deposited funds are available for use immediately. We do not charge any fees for using this service. If we accept any payments to be made by a debit card, credit card or any other payment method that may charge processing fees, we do, however, reserve the right to levy a transfer charge. All transactions should be listed as purchases on your credit/debit card statement. You may wish to contact your credit/debit card company to ask if there are any fees on their side in processing these transactions.

60.9 For credit/debit cards, we provide you with the option of paying in your own currency. We provide a competitive exchange rate, presented upfront in the payment method interface. Should you choose to pursue this service, the transaction will be processed on your payment method immediately using the exchange rate provided. In case you would like the payment provider to perform the currency exchange for you, the transaction will be posted to your card when processed by your issuing bank while the exchange rate and any additional fees will be determined by your issuing bank.

60.10 If you plan to use more than one credit/debit card to deposit funds into your Account, you must ensure that your account has a zero balance before changing cards. You can do this by using any remaining funds within the Account or withdrawing any remaining funds to the original credit card. Before you can use any other credit card, you will need to register it with us in accordance with the procedures described hereinabove.

60.11 It is important to keep a record of all of your credit/debit card deposits. To help you maintain these records you should be aware that your credit/debit card deposits are recorded and reported on your credit/debit card statement

60.12 We are committed to continuing to provide the highest level of security for our customers when depositing money on-line. A new initiative has been put into place by MasterCard and Visa to further protect on-line transactions called **MasterCard SecureCode** and **Verified by Visa**. These both work in a similar way and protect the card holder with a secret code/password against unauthorized use of your card when you deposit money online. Please click one of the links below to visit the MasterCard or Visa websites for full information.

61. CHARGEBACKS

61.1 If you place a chargeback with your credit card company (on purpose or by mistake) for any deposit you made in your Account with us, we reserve the right to charge a "USD 150,- research fee" to your Account upon receiving the chargeback by our merchant provider to cover our investigative expenses to prove that you did make the deposit, and you hereby authorize us to charge this amount to your credit card.

Murrentrade Limited with Business Company Number: 26651BC2022

Address: First Floor, First St.Vincent Bank Ltd Building, James Street,Kingstown,VC0100,St. Vincent and the Grenadines.

- 61.2 We do not tolerate credit card fraud, and all fraud, without exception, will be prosecuted through criminal proceedings in your local jurisdiction to the fullest extent of the law. In addition, we will pursue civil legal action in your local jurisdiction seeking any loss of income related to the fraud, including business, legal fees, research costs, employee down time and loss of revenues.
- 61.3 We employ advanced risk modelling to detect fraudulent transaction clues across our Services. Fraudulent transactions are immediately cancelled after being detected. Any active Orders associated with the same fraudulent credit card will also be cancelled immediately. We also actively leverage external, cross-industry resources -- such as worldwide fraud blacklists -- to prevent fraudulent users from accessing our Online Trading Facility in the first place.
- 61.4 We consider credit card charge backs to be fraudulent if you make no reasonable effort to work with us to resolve any problems with your deposit. All frivolous chargebacks not only cost our employees time away from our usual and customary matters of conducting normal business, but also cost us money, therefore:
- a. when we detect questionable activity related to a deposit that is being made in an Account, we will mark the deposit with a “customer review in progress” status and perform fraud detection checks on the deposit to reduce your exposure to risk; during this time, you won't be able to access your Account.
 - b. In general, we complete reviews within four (4) to six (6) hours; certain deposits posing a higher potential risk may require more time, however, as our Compliance Department performs even more extensive fraud detection checks. We may also contact you directly as a backup precaution. If we determine that a deposit is high-risk or doesn't comply with our Fraud & Security Policies, the deposit will immediately be cancelled and the funds will immediately be refunded to the credit card from which the deposit was initially made. Furthermore, in such instances, we reserve the right, at our sole discretion, to close any and all of your Account(s) with us immediately. Any active Orders associated with the same fraudulent credit card and/or Account will also be cancelled immediately.
 - c. You agree that if you choose to do business with us and you file a charge back with your credit card company, but you do not win the charge back argument, you agree to pay us, in addition to the “USD 150,- research fee mentioned above, a “USD 150,- administrative processing fee” for our time responding to the matter. You hereby authorize us to charge this amount to your credit card. If this charge is rejected, we will pursue legal action to recoup losses for our time associated with responding to the charge back in addition to any other fees explained above. You agree to reimburse us or any Representative we may appoint for any legal expenses your actions may make us incur.
 - d. In addition, we will attempt to recover fraudulently disputed charges plus additional costs via a third-party collection agency and your account will be reported to all credit bureaus as a delinquent collection account. This may severely damage your credit rating for at least the next seven (7) years. At this point, we will no longer accept a settlement of your debt and will only accept payment in full. In addition to this, we will file a report with your local police department, and pursue all fraudulent activities through your local jurisdiction for prosecution to the fullest extent of the law. Furthermore, in such instances, we reserve the right, at our sole discretion, to take all action as we see fit, including, without limitation, completely blocking access to our Online Trading Facility, blocking and/or revoking your Access Codes and/or terminating your Account. Under these circumstances, we reserve the right to seize any profits and/or revenues generated directly or indirectly by exercising any such prohibit trading activity and we shall be entitled to inform any Interested third parties of your breach of this clause; any active Orders associated with the same fraudulent credit card and/or Account will also be cancelled immediately; we have, and will continue to develop any tools necessary to identify credit/debit card fraud; any dispute arising from such fraudulent activity will be resolved by us in our sole and absolute discretion, in the manner we deem to be the fairest to all concerned; that decision shall be final and/or binding on all participants; no correspondence will be entered into.
- 61.5 We take fraud very seriously. We log IP strings on all deposits made in our accounts - any orders coming back as a chargeback due to fraudulent activities will be diligently pursued through criminal proceedings in your local jurisdiction for prosecution to the fullest extent of the law.

62. NETTING AGREEMENT

- 62.1 If on any date the same amounts are payable by a Party to this Agreement to another Party to this Agreement in the same

Murren Trade

currency, then, each Party's obligations to make payment of any such amount(s) will be automatically satisfied by 'netting'.

- 62.2 If the amounts are not in the same currency, the amounts may be converted in accordance with the principles set forth in Section 50 hereinabove.
- 62.3 If the aggregate amount that is payable by one Party exceeds the aggregate amount that is payable by the other Party, then the Party by whom the larger aggregate amount is payable shall pay the excess to the other Party and the obligations to make payment of each party will be satisfied and discharged.
- 62.4 If the client relationship is terminated according to Sections 85, 0 and/or 87 and 88 hereinafter, then the claims that the Parties have against each other shall be finally discharged by means of netting (closed). The value of any open Contracts shall be determined according to the principles set forth below and the final amount to be paid by one of the Parties shall be the difference between the payment obligations of the parties.
- 62.5 Rates based on which any such Transactions and/or Contracts shall be closed shall be the market rates applicable on the day on which we decide to close such Transactions and/or Contracts. We may, at our reasonable discretion, determine the rates by obtaining an offer from a market maker in the asset in question or by applying rates from electronic financial information systems. When determining the value of any such transactions and/or Contracts to be netted, we shall apply our usual spreads and include all costs and other charges.
- 62.6 This netting agreement shall be binding on all Parties to this Agreement and on the estate and/or creditors of all Parties to the client relationship under this Agreement.

63. CLIENT FUNDS AND ASSETS

- 63.1 All Assets (including, without limitation, cash, or only in those instances in which we may agree otherwise, other assets, such as collateral (by which we mean investments, securities, bonds or any other financial instrument, property or asset acceptable to us in lieu of cash) handed over by you to us, or which we hold on your behalf for the provision of our Services ("**Client Funds**"), will be held in an account with a custodian, credit institution or bank within the European Economic Area ("**EEA**"), or with a bank authorized in a third country or any electronic payment providers/processors approved by us, and will be segregated from our own funds in accordance with the applicable **MurrenTrade Rules**. Your Client Funds may be pooled with the funds of other clients in a general omnibus account. In such case, there is a risk that the Client Funds could be withdrawn or used to meet obligations of other Clients, or that the balance of assets held by the third party does not reconcile with the quantity which the third party is required to hold, and the Client may not in such circumstances receive its full entitlement of Client Funds.

In some jurisdictions, it may not be possible to identify separately the Client Funds which a third party holds for Clients from those which it holds for itself or for the Company, and there is a risk that the Client Funds could be withdrawn or used to meet the obligations of the third party, or lost altogether if the third party becomes insolvent.

- 63.2 We may, however, hold all or part of your Client Funds with a custodian, credit institution or bank outside an EEA country and in such circumstances the legal and regulatory regime may differ from that applicable in an EEA country, with the effect that in the insolvency or equivalent failure of such custodian, credit institution or bank, the treatment afforded to your Client Funds may be different from the treatment afforded if your Client Funds were held in an account with a custodian, credit institution or bank subject to an EEA state's laws. We will not be liable for any failure or insolvency of any custodian, credit institution, bank or third party holding your Client Funds within or outside the EEA; however, applicable investor compensation or deposit protection schemes may protect a proportion of your Client Funds that are held with any with a custodian, credit institution or bank or third party.
- 63.3 Unless you notify us beforehand and in writing, we may allow a third party, such as an exchange, a clearing house or an intermediate broker to hold all control all or part of your Client Funds, where we transfer your Client Funds: (a) for the purposes of a Transaction and/or Contract you have entered into, or are entering into with such third party; or (b) to meet your obligations to provide Collateral or Margin for a Transaction and/or Contract (e.g. an initial Margin requirement for a derivative Transaction).
- 63.4 You hereby authorize us to make any deposits and withdrawals from your Account with us on your behalf, including, without

Murren Trade

limitation and prejudice to the generality of the above, withdrawals for the settlement of all Transactions undertaken and/or Contacts entered into under these Terms and Conditions, as well as for the settlement of any and all amounts which are payable by you, or on your behalf, to us or any other person under and/or pursuant to these Terms and Conditions.

- 63.5 Unless otherwise determined and stated "*in the terms agreed upon by mutual consent of the Parties*", any amount payable by us to you, shall be paid directly to you and not to any other Person, except in those instances there this has been agreed upon by mutual consent of the Parties.
- 63.6 Without prejudice to any other provisions of this Agreement, we may, at our sole discretion, from time to time and without your prior authorisation, set-off any amounts held on your behalf against your obligations to us and/or merge any of your Accounts with us.
- 63.7 You are entitled to withdraw the funds from your Account which are not used for Margin covering and are not subject to Clause 57.3, without closing your Account.
- 63.8 Trading in leveraged Financial Instruments involves significant risk on your invested capital. However, Murrentrade follows a 'no negative balance' policy which means that you cannot lose more than your invested capital.

64. ASSESSMENT OF INSTITUTIONS HOLDING CLIENT FUNDS

- 64.1 As per our risk management and compliance processes aiming in the protection of Client Funds, all institutions with which we intend to hold Client Funds need to be reviewed and assessed prior to the establishment of the business relationship. The assessment process takes into consideration both qualitative and quantitative criteria. Such criteria include, but are not limited to, the country of establishment of the institution, regulation status, credit ranking of the institution and of the country of establishment (if available) and reputation.
- 64.2 Our assessment process follows a sophisticated scoring process designed in three stages. The first stage involves the gathering of the necessary information and documentation and is performed by a senior officer of our Company. The second stage involves the assessment of the information gathered and ranking this information based on the designed scoring process. The second stage is undertaken by the Compliance Officer and/or the Risk Manager of our Company. In cases where the final score meets the minimum required passing score, then, as the third and final stage, a Director of our Company needs to evaluate the assessment and approve the establishment of the business relationship. In cases where the final score does not meet the minimum required passing score the assessment concludes at the second stage and no business relationship is established with the particular institution.
- 64.3 Without prejudice to Clause 64.2, we may establish a business relationship with an institution which failed the assessment process provided that (a) an Executive Director will exceptionally approve the establishment of the business relationship, (b) the reasons of the exceptional approval are well documented and held by the Company and (c) limits are being imposed on the maximum amount of Client Funds to be held with the particular institution. The limits imposed will be monitored by the risk manager of the Company and revised if and as necessary.

65. DORMANT AND ARCHIVING POLICY

- 65.1 In the event that there is no activity (trading/withdrawals/deposits) in all of your Accounts for a set period of at least ninety (90) calendar days we will regard your Accounts to be dormant. An Account shall be deemed as dormant from the last day of the ninety (90) calendar days in which there has been no activity (trading/withdrawals/deposits) in the Account.
- 65.2 All remaining bonuses / promotion credits / Bonus will be automatically removed from dormant Accounts. In addition, any pending orders may be deleted.
- 65.3 Dormant Accounts will be charged with a monthly dormant fee of USD 5 (five United States Dollars) or the full amount of the free balance in the Account if the free balance is less than USD 5 (five United States Dollars). There will be no charge if the free balance in the Account is zero.
- 65.4 Accounts with zero balance will be archived after period of ninety (90) calendar days.

66. MULTIPLE ACCOUNT HOLDERS

- 66.1 We offer the possibility to open Accounts with us that are operated by multiple (joint) Account holders. In the event that such a request is filed with us, you will be asked to indicate to us on your Account Opening Application Form(s), the form of ownership of the Account, as either one of the below mentioned options:
- a. **Joint Tenants with Rights of Survivorship:** In this instance, it is the express intention of the (joint) Account holders to create an estate or account as joint tenants with rights of survivorship and not as tenants-in-common; in the event of the death of either one of the Account holders, the entire interest in this Account shall be vested in the surviving Account holder on the same terms and conditions as previously held, without in any manner releasing the deceased Account holder's estate from the liabilities that are provided for hereinafter;
 - b. **Tenants-In-Common:** In this instance, it is the express intention of the (joint) Account holders to create an account or estate as tenants-in-common; the percentage of ownership of each Account holder shall be as indicated on the Account Opening Application Form(s); any taxes, costs or expenses payable as a result of the death of an Account holder shall, so far as possible, be deducted from the interest of the estate of the deceased Account holder; this provision shall not release the deceased Account holder's estate from the liabilities that are provided for hereinafter; unless expressly stated otherwise on the Account Opening Application Form(s), each (joint) Account holder shall be deemed to have an equal share in the (joint) Account.
- 66.2 If an Account is jointly held by more than one Account holder, each Account holder individually shall have the authority: (a) to trade for the account in accordance with the agreements of the Account; (b) to receive all correspondence and documents in respect of the Account; (c) to receive or withdraw money from the Account; (d) to execute agreements relating to the Account; and (e) to deal with us on an individual basis with respect to all aspects pertaining to the Account. Without prejudice to any other provisions of this Agreement, we shall be entitled (but under no circumstances be obliged), however, at our sole discretion, to require joint action by all Account holders in certain Account matters, without being obliged to provide any explanation or justification.
- 66.3 Furthermore, in those circumstances: (a) the liabilities of each such Account holder shall be joint and several; (b) we may act upon instructions received from any one Person who is, or appears to us to be, an Account holder, without further inquiry with regard to all transactions in any way related to the Account, including without limitation, the placement of Orders and entering into of Transactions and/or Contracts via our Online Trading Facility, and the disposition of any or all of the assets in the Account; we shall have no responsibility or obligation for further inquiry into such apparent authority, and shall bear no liability for the consequences of any acts or omissions made in reliance upon any such Instructions; (c) any notice and other message presented by us to any one Person who is, or appears to us to be, an Account holder shall be deemed to have been presented to all Account holders; and (d) if an Event of Default occurs in respect of any one Person who is, or appears to us to be an Account holder, such an Event of Default shall be deemed to have occurred in respect of all Account holders.
- 66.4 In the event of the death of an Account holder, the surviving Account holder(s) shall immediately give us written notice thereof, and provide us with proof of a death certificate and we may, before or after receiving such notice, at our sole discretion, take such proceedings, require such papers and inheritance or estate tax waivers, retain such portion and/or restrict transactions in the Account as we may deem advisable and/or desirable, to protect us against any tax, liability, penalty or loss, under any present or future laws or otherwise.
- 66.5 In the event of the death of an Account holder, the estate of the deceased Account holder and the surviving Account holder(s) shall continue to be liable, jointly and severally, to us for any obligations incurred prior to our receipt of written notice of the death of the Account holder, and/or for any costs incurred by us, including any reasonable attorney fees, in the liquidation of the Account or adjustment of the interests of the Account holders.

67. ISLAMIC/SWAP-FREE ACCOUNTS

- 67.1 We offer the possibility to open Islamic (Swap-free) Accounts with us. Swap-free trading accounts are available only to those clients who cannot use swaps owing to their religious beliefs. Accordingly, in all instances where a request for an Islamic (Swap-free) Account is filed with us, we reserve the right to require an adequate justification for and/or proof of the necessity or need of any such conversion. Furthermore, we reserve the right to refuse the processing of any such request for any reason whatsoever, without being obliged to provide any explanation or justification.

Murren Trade

- 67.2 While a client may file a request for an Islamic (Swap-free) trading account at any time, the filing of any such request entails that all of such client's other real trading Accounts with us will be converted into Swap-free trading accounts also, without any further notice being required. Conversion of a real trading Account to a Swap-free trading account is performed by our Back-Office Department only upon the request and consent of those clients who complete and submit a request for an Islamic (Swap-free) Account. Upon the receipt of such a duly signed and executed request, we shall evaluate request and any ancillary documentation submitted to us and shall inform the client who requested the conversion by e-mail whether the request is accepted or not.
- 67.3 clients are not allowed to use Swap-free Accounts to make profits from Swaps and may not request the payment of any Swap amounts that have been lost as a result of converting their real trading Account(s) into one or more Swap-free Account(s) for the period during which their real trading Account(s) has/have been converted into one or more Swap-free account(s).
- 67.4 We reserve the right to revoke the Swap-free status granted to any real trading Account at any time without being obliged to provide any explanation or justification. Furthermore, in the event that we detect any form of abuse, fraud, manipulation, cash-back arbitrage, carry trades, or other forms of deceitful or fraudulent activity in regard to any Swap-free Account of any client, we reserve the right, at any time, (a) with immediate effect, to revoke the Swap-free status from any and all real trading Accounts of such client that have been converted to a Swap-free trading Account; (b) to correct and recover any un-accrued Swaps and any related un-accrued interest expenses and or costs pertaining to any and all of such client's Swap-free trading Accounts during the period for which such Accounts were converted into Swap-free trading Accounts; and/or (c), with immediate effect, to close all trading Accounts of such client with us, nullify all trades carried out in such client's trading Accounts with us and cancel and all profits or losses garnered in such client's trading Accounts with us.

CHAPTER H: GENERAL PROVISIONS

68. MARKET MAKING

- 68.1 You are specifically made aware that in certain markets, including the foreign exchange markets, OTC foreign exchange options and CFD Contracts, we may act as a **'Market Maker'**, *i.e.*, we may take the risk of holding a certain number of Supported Financial Instruments in order to facilitate trading in these Financial Instruments by displaying/quoting 'bid' and 'ask' prices ('buy' and 'sell' quotations) for such Supported Financial Instruments on our Online Trading Facility and filling Orders received in respect to such Supported Financial Instruments from our own inventory or seeking an Offsetting Order.
- 68.2 In order for us to provide Price Quotes with the swiftness normally associated with speculative trading, we may have to rely on available price or available information that may later prove to be faulty due to specific market circumstances, *for instance*, but not limited to, lack of liquidity in, or suspension of an Underlying Instrument or asset or errors in feeds from information providers or in Price Quotes from our counterparties. In these circumstances, provided that we have acted in good faith when providing the relevant Price Quote to you, we may cancel the relevant Transaction and/or Contract with you, but shall do so within reasonable time and shall provide you with a full explanation for the reason of such cancellation.
- 68.3 Following execution of any position with you, we may, at our reasonable discretion, subsequently offset each such position with you with another client position or with a position with one of our counterparties, or we may decide to retain a proprietary position in the Market with the intention to obtain trading profits from such positions. Such decisions and actions may therefore result in us offsetting client positions at prices different – sometimes significantly different – from the Price Quotes provided to you, resulting in trading profits or losses for us. This in turn can raise the possibility of you incurring, what may be seen as, an implied cost (*i.e.*, the difference between the price at which you traded with us and the price at which we subsequently traded with our counterparties and/or other clients), due to any profits realised by us as a result of the Market Making function. Please also note, however, that the Market Making function may involve significant costs to us, if the market moves against us in comparison to the price at which we traded with you.
- 68.4 You accept that, in such Markets where we act as Market Maker, we may hold positions that are contrary to your positions and/or the positions of certain other of our clients, resulting in potential conflicts of interest between us, and any such other of our clients.
- 68.5 In Markets, where we act as a Market Maker, you accept that we have no obligation to quote prices to you and/or any of our other clients, at any time in any given Market, nor shall we have an obligation to provide such Price Quotes to you and/or any of our other clients with a specific maximum spread.
- 68.6 You acknowledges, recognize and accept that the Price Quotes provided to you include a 'spread' when compared with the price for which we may have covered or expected to be able to 'cover' the Transaction or Contract in a trade with another client or a counterparty; furthermore, you acknowledges, recognize and accept that said 'spread' constitutes remuneration to us and that such 'spread' cannot necessarily be calculated individually for all Transactions and/or Contracts and that such 'spread' will not be specified at the Settlement/Trade Confirmation or otherwise revealed to you.
- 68.7 Any commission costs, interest charges, costs associated to and included in the 'spreads' that are part of the Price Quotes provided by us as a Market Maker in certain Markets, and any other fees and charges will consequently influence your trading result(s) and may have a negative effect on your trading performance compared to a situation in which such commission costs, interest charges, costs associated to and included in the 'spreads', would not apply.
- 68.8 Whilst dealing 'spreads' and commissions are normally considered moderate seen in relation to the value of the Financial Instruments traded, such costs may be considerable when compared with your Margin deposit. As a consequence thereof, your Margin deposit may be depleted by the trading losses, which you may incur and by the directly visible dealing costs such as commissions, interest charges and brokerage fees, as well as by the afore-mentioned invisible costs for you that are caused by our performance as a Market Maker.
- 68.9 If you are an active trader and you are undertaking numerous Transactions and/or Contracts, the total impact of visible as well as invisible costs may be significant. Consequently, you may have to obtain significant profits in order to cover the costs associated with the trading activities you undertake with us as a Market Maker. For very active clients, such costs may over

Murren Trade

time exceed the value of the Margin deposited with us. Normally, when trading Margined derivatives, the lower the percentage of the applicable Margin rate, the higher the proportion of the costs associated with executing a Transaction and/or Contract.

- 68.10 You are hereby specifically made aware that in the area of Market Making in foreign exchange, CFD Contracts and other OTC products, significant implied costs can arise as a consequence of the profits made by us performing in our capacity as a Market Maker; thus, our performance as a Market Maker may negatively affect your Account with us and the said associated costs may neither directly visible nor directly quantifiable for you at any time.
- 68.11 Please not that we are at no time and under no circumstances obliged to disclose any details of our performance or our income produced as a Market Maker, or otherwise related to other commissions, charges and fees.
- 68.12 You are hereby specifically made aware that CFDs may be OTC products quoted by us whilst operating as a Market Maker, and are not traded on a recognized stock exchange. As a result, the description above of the implied, not visible costs related to our performance as a Market Maker, may also apply to any CFD Contract.

69. CONFLICTS OF INTEREST

- 69.1 You should be aware that when and where we, our Associates or other persons or companies connected with us, arrange Transaction and/or Contracts with you, we may have an interest, relationship or arrangement that is material in relation to the Transaction and/or Contract concerned. Should such a conflict of interest arise we will seek to resolve such conflict in such a way as we believe is in your best interests in accordance with our conflicts of interest policy (as amended or extended from time to time) ("**Conflicts of Interest Policy**").
- 69.2 Specifically you hereby acknowledge and confirm that: (a) we may assign or transfer the execution of your Orders to our Affiliates, Associates and or other third parties, as we deem fit; (b) we may execute at the same time Orders by different clients that are opposite to one another; (c) we may establish business, including without limitation, trading relationships with other issuers of Financial Instruments and we may have a financial interest in such Financial Instruments; (d) we act as a Market Maker and in this context there may be inherent Conflicts of Interest; and (e) we may compensate and/or share our revenues from your activity with our Affiliates, Associates, partners and/or other similar parties performing marketing activities on our behalf. You hereby further acknowledge and agree that we also may compensate other clients who you have elected to follow and/or copy.
- 69.3 Full details of our Conflicts of Interest Policy are available on our Online Trading Facility. Our Conflicts of Interest Policy is a policy only, it is NOT part of these Terms and Conditions and is not intended to be contractually binding or impose or seek to impose any obligations on us which we would not otherwise have, but for the *Cyprus Investment Services and Activities and Regulated Markets Law of 2007 (Law 144(I)/2007)*.
- 69.4 By accepting these Terms and Conditions, you expressly acknowledge and agree that we may transact such business without prior reference to any potential specific Conflict of Interest.

70. SPECIAL PROVISIONS FOR MANAGED ACCOUNTS, INTRODUCED ACCOUNTS OR THIRD PARTY VENDORS

- 70.1 If your Account is being managed by a trading advisor or is introduced to us, you acknowledge and agree that we are responsible only for acting as counterparty to the you for Transactions and/or Contracts in your Account and that we have no responsibilities, or obligations regarding any conduct, action, representation or statement of any such Persons in connection with your Account or any Transactions therein. You understand that we make no warranties nor representations concerning such trading advisor or Introducing Broker, that we shall not be responsible for any loss to you occasioned by the actions of such trading advisor or Introducing Broker and that we do not, by implication or otherwise, endorse or approve of the operating methods of such trading advisor or Introducing Broker. You further acknowledge and agree that: (a) any trading advisor or Introducing Broker acts as an independent intermediary for you; (b) unless you have been expressly advised otherwise in writing by us, no such person is an affiliate, employee or agent of us; (c) no such Person is authorized to make any representations concerning us or the Services to be provided by us hereunder, except as may be expressly authorized in writing by us; (d) we do not bear any responsibility whatsoever for whatever agreements reached by and between you and any such trading advisor or Introducing Broker; (e) your agreement with any such trading advisor or Introducing Broker may

Murren Trade

result in additional costs, since we may be obliged to pay commission fees or charges to such trading advisor or Introducing Broker; and (c) in those instances where such trading advisor or Introducing Broker is accepted by us in this capacity, such trading advisor or Introducing Broker may be authorized to have "View Only" access to one or more terminals, including terminal access through Internet browser, to electronically monitor the activities of the Accounts introduced by the trading advisor or Business Introducer in question to us.

- 70.2 If a trading advisor manages your Account or if an Introducing Broker introduces you to us, we (a) may compensate such persons from our assets, or (ii) we may deduct directly from your Account compensation payable to such Persons. In the event your Account is managed by a trading advisor, you shall deliver to us a copy of such trading advisor's written trading authorization or your acknowledgment of such authorization, in a form acceptable to us, in accordance with the provisions of Sections 32.9 and 37.2.
- 70.3 You agree to waive any claims, which you may have against us, and to indemnify and hold us harmless for any actions or omissions of any such Business Introducer or any of its associated persons.

71. ACKNOWLEDGEMENTS

- 71.1 You acknowledge, recognize and understand that trading and investments in leveraged as well as non-leveraged Transactions and/or Contracts is: (a) highly speculative; (b) may involve an extreme degree of risk; and (c) is appropriate only for persons who, if they trade on Margin, can assume a substantial risk of loss in excess of their Margin deposit.
- 71.2 You further acknowledge, recognize and understand that: (a) because of the low level of Margin normally required in highly leveraged transactions, price changes in the Underlying Instrument may result in significant losses, which losses may substantially exceed your investment and Margin deposit; (b) certain Market Conditions may make it difficult or impossible to execute Orders at a stipulated price; (c) when you directs us to enter into any Transaction and/or Contract, any profit or loss arising as a result of a fluctuation in the value of the Financial Instrument or the Underlying Instrument will be entirely for your account and risk; (d) we will, in general, not provide any advice to you; therefore, you agree not to hold us responsible for any losses incurred as a consequence of following any of our recommendations or suggestions or those of our employees, associates or representatives, unless we have exercised gross negligence in connection herewith; (e) we shall not conduct any continuous monitoring of the Transactions and/or Contracts entered into by you; accordingly, we cannot be held responsible for any Transactions and/or Contracts developing differently from what you might have presupposed and/or to your disadvantage; (f) guarantees of profit or freedom from loss are impossible in investment trading; (g) you have received no such guarantees or similar representations from us, nor from any of our Associates, from a Business Introducer, or representatives hereof or from any other entity with whom you are trading in a corporate or joint Account.
- 71.3 In light of the risks, you should undertake such transactions only if you understand the nature of the trading into which you are about to engage and the extent of your exposure to risk. Trading in leveraged Financial Instruments is not suitable for many members of the public and you should carefully consider whether such trading is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances. You acknowledge and confirm that you have been advised and understand the following factors concerning trading in leveraged Financial Instruments in the Over-the- Counter Market, in addition to those contained in the Risk Disclosure Statement posted on our Online Trading Facility.
- a. **General:** When you enter into foreign currency contracts with us, you will be entering into a privately negotiated Transaction and/or Contract with us, as Principal. We may, in turn, enter into "back-to-back" transactions with others, including our Affiliates, Associates and third party counterparties. We include our mark-up in the Price Quotes we provide to you. The Transactions and/or Contracts in leveraged Financial Instruments you may be entering into with us are NOT executed on a regulated exchange and are not cleared on a central clearing organization. Consequently, any Transaction and/or Contract entered into with us will be an obligation on our part (as opposed to an obligation of a clearinghouse as in the case of an exchange-traded contract) and you will not be afforded the regulatory and financial protections offered by exchange-traded contracts. Both of us are, therefore, obliged to perform our respective obligations under each Transaction and/or Contract in accordance with its terms. The terms of each Transaction and/or Contract are set out in these Terms and Conditions (which apply to every Transaction and/or Contract you enter into with us) and the Settlement/Trade Confirmation (which applies to each particular Transaction and/or Contract). Because each Transaction and/or Contract is a transaction between you and us, and is not cleared on a central clearinghouse, you will not be able to transfer your obligations under the Transaction and/or contract to another Person without our prior consent. In addition, we are under no obligation to terminate or close out the Transaction

Murren Trade

and/or Contact prior to the expiration date for that Transaction and/or Contract. We may, but are not obligated, to quote you a price for an early close out of a Transaction and/or Contract, on request.

- b. *Effect of "Leverage" or "Gearing":*** Transactions in leveraged Financial Instruments carry a high degree of risk. The amount of Initial Margin may be small relative to the value of the Financial Instruments traded so that Transactions and/or Contracts are '*leveraged*' or '*geared*'. A relatively small market movement may have a proportionately larger impact on the funds you have deposited or will have to deposit: this may work against you as well as for you. You may sustain a total loss of initial Margin funds and any additional funds deposited with us to maintain your position. If the Market moves against your position or Margin Levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your position. You may sustain a total loss of initial Margin funds and any additional funds deposited with us to maintain your position. We reserve the right to liquidate positions without prior notice in the case of any Margin shortfall or if you fail to comply with a request for additional funds within the time prescribed. Furthermore, you should be aware that we and/or Affiliates and/or Associates may from time to time have substantial positions in, and may make a market in or otherwise buy or sell instruments similar or economically related to, Transactions and/or Contracts entered into with you. In addition, we may also undertake proprietary trading activities, the initiation or termination of a foreign currency contract transaction with you that may adversely affect the Market price or other factors underlying the Transactions and/or Contracts entered into with you and consequently, the value of such Transaction and/or Contract.
- c. *Spot and Forward Transactions:*** You will be obliged to meet the obligations arising under a foreign currency spot or forward Transaction and/or Contract in accordance with its terms. These Transactions and/or Contracts may be used to establish long or short positions in the Market. A 'spot' Contract is a cash market Transaction to buy or sell immediately a specified quantity of a certain Financial Instrument, for settlement in no more than two days. A 'forward' Contract is a Contract to buy or sell a specified quantity of a certain Financial Instrument at a specified date in the future at a specified price. Forward transactions are economically similar to exchange-traded futures Contracts. However, unlike exchange future Contracts, the price terms and characteristics of 'spot' or 'forward' Contracts are privately negotiated; accordingly, there is no centralized price source and the Transactions are not cleared through a clearinghouse. In general, the Over-The-Counter (OTC) Market is unregulated, there are no limitations on daily price movements (unless imposed by a government or central bank authority), no rules to regulate valuation or settlement procedures, and no minimum financial requirements for Market participants. At the defined settlement dates for 'spot' and 'forward' Contracts there will be a cash settlement (depending on the terms of the specified contract) which you may receive from or be obliged to pay to us. There will not be a physical delivery of currency unless prior arrangements are made with us. The size of the cash settlement payment is dependent on the position you have and the market movement in the time since the position was established.
- d. *Option Transactions:*** We currently do NOT offer foreign currency options.
- e. *Trading in Transactions in leveraged Financial Instruments is Speculative:*** Prices of leveraged Financial Instruments are highly volatile. Price movements of Transactions and/or Contracts in leveraged Financial Instruments are influenced by, among other things, interest rates, changes in balance of payments and trade, domestic and international rates of inflation, international trade restrictions and currency devaluations and revaluations. For example, there can be serious Market Disruptions if economic or political events locally or overseas affect the market. It is not possible to foresee all risks in advance.
- f. *Electronic Trading Facilities:*** Most Electronic Trading Facilities are supported by computer-based component systems for the Order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary.
- g. *Electronic Trading:*** You will trade in leveraged Financial Instruments through our Online Trading Facility. Trading on an electronic trading system may differ not only from trading in an 'open-outcry' Market, but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your Order is either not executed according to your instructions, is not executed at all and a lack of capability to keep you informed continuously about your positions and fulfilment of the Margin requirements. Since we do not control signal power, its reception or routing via internet, configuration of your equipment or reliability of its connection, we

cannot be responsible for communication failures, distortions or delays when trading on-line via the Internet. We do, however, employ back-up systems and contingency plans to minimize the possibility of system failure, and trading via telephone is available in those instances where specifically agree, at our sole discretion, to do so.

- h. *Commissions and other charges:*** Before you begin to trade, you should obtain a clear explanation of all commission, fees, mark ups, markdowns and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.
- i. *Risk-reducing and entry Order strategies:*** The placing of certain Orders ('Stop-Loss' Orders or 'Stop-Limit' Orders, 'Entry Buy' Orders or 'Entry Sell' Orders) which are intended to limit risk, may not be effective because Market conditions may make it impossible to execute these Orders. Strategies using combinations of positions, such as 'spread' and 'straddle' positions may be just as risky as taking long or short positions. Clients' Orders will become Market Orders when the predetermined price level is reached, even if the price is considerably different from the original Order.
- j. *Suspension or restriction of trading and pricing relationships:*** Market conditions (e.g., liquidity) and/or the operation of the rules of certain Markets (e.g., the suspension of trading in any Financial Instrument or underlying Instrument because of price limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect Transactions and/or Contracts or liquidate/offset positions. Furthermore, normal pricing relationships between the Underlying Instrument and the Financial Instrument traded may not exist. The absence of a price for an Underlying Instrument may make it difficult to judge "fair" value.
- k. *Deposited cash and property:*** You should familiarize yourself with the protections accorded to money or other property you deposit for domestic and foreign Transactions and/or Contracts, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or property may be governed by specific legislation or local rules. In some jurisdictions, property, which has been specifically identifiable as your own, will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall. The Transactions and/or Contracts you are entering into with us are NOT traded on an exchange. Therefore, under applicable bankruptcy laws, your funds may NOT receive the same protections as funds used to Margin or guarantee exchange-traded Transactions and/or contracts, which may receive a priority in bankruptcy. Since that same priority has NOT been given to funds used for Transactions and/or Contracts in the Over-the-Counter (OTC) Market, if we were to become insolvent and you have a claim for amounts deposited or profits earned on Transactions and/or Contracts with us your claim may not receive priority. Without priority, you are a general creditor and your claim will be paid, along with the claims of other general creditors, from any funds still available after priority claims are paid. In these circumstances, even the Client Funds, which we keep separated from our own operating funds, may NOT in all instances be safe from the claims of other general and priority creditors.
- l. *Currency risks:*** The profit or loss in Transactions and/or Contracts in leveraged Financial Instrument (whether they are traded in your own or in another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the position taken to another currency.
- m. *Transactions in other jurisdictions:*** Transactions on markets in other jurisdictions, including Markets formally linked to a domestic market, may expose you to further, additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Before you trade, you should enquire about any rules relevant to your particular Transactions and/or Contracts. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your Transactions and/or Contracts have been effected. You should enquire about the types of redress available in both your home jurisdiction and other relevant jurisdictions before you start to trade.
- n. *Quoting and Execution Errors:*** Should quoting and/or execution errors occur, which may include, but are not limited to, a dealer's mistype of a quote, a quote or trade which is not representative of fair Market prices, an erroneous price quote, such as, but not limited to, a wrong big figure quote or an erroneous quote due to failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors, we will not be liable for the resulting errors in your Account balances. In addition, Orders must be placed allowing sufficient time to execute, as well as, sufficient time for the system to calculate necessary Margin requirements. The execution of Orders placed too close to prices, which would trigger other Orders (regardless of Order type) or a Margin call, cannot

Murren Trade

be guaranteed. We will not be liable for the resulting Margin call(s), resulting balance, and/or positions in your Account due to the system not having been allowed sufficient time to execute and/or calculate accordingly. The foregoing list is not meant to be exhaustive and in the event of a quoting or execution error, we reserve the right to make the necessary corrections or adjustments on the Accounts involved. Any dispute arising from such quoting or execution errors will be resolved by us in our sole and absolute discretion. You agree to indemnify and hold us harmless from any and all damages or liability as a result of the foregoing. No correspondence will be entered into.

- o. Off-Exchange Transactions:** The Transactions and/or Contracts you are entering into with us as counterparty are NOT traded on an exchange, but in the off-exchange/Over-the-Counter (OTC) Market. In general, the Over-The-Counter (OTC) Market is unregulated, there are no limitations on daily price movements (unless imposed by a government or central bank authority), no rules to regulate valuation or settlement procedures, and no minimum financial requirements for market participants. Accordingly, it may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange Transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such Transactions, you should familiarize yourself with applicable rules and attendant risks.

71.4 In addition to the foregoing, it is important that you be fully aware of the following points:

- a. We reserve the right to close part, or all, of your open positions, in order to facilitate the charge of any fees or amounts due by you. Notwithstanding, you shall be liable for promptly paying such fee(s) to us, even if you suffer full loss of all Margin deposited by you.
- b. We do NOT guarantee any Order. Placing ‘stops (“*Stops*”)', regardless of the entry or ‘closing designation, does not guarantee that the trade will be filled at the Order price. All ‘Entry Stops’ and ‘Stops’ will be filled, upon activation, at the first/best available market price, which may or may not match the requested Order price.
- c. In the event liquidity providers are unable to provide liquidity to us, your Order may experience delays in execution or you may not be able to place Orders entirely. The size of the Order may also impede the speed at which the Order is executed. Keep in mind that it is necessary to enter any Order only once. Multiple entries for the same Order may inadvertently open unwanted positions.
- d. While trading on our Online Trading Facility, you might encounter system errors that are resulted from hardware and/or software failures. The result of any system failure may be that your Order is either not executed according to your instructions, executing with account balance errors and discrepancies or not executed at all. We will not be liable for the resulting errors in your Account balances. We reserve the right to make the necessary corrections or adjustments on the Account involved.
- e. No system exists that could assure you that Transactions in leveraged Financial Instruments should bring you great benefits, nor is it possible to guarantee, that your Transactions and/or Contracts will yield favourable results.
- f. Even though the foreign currencies, commodities and indices markets are liquid as compared with other financial and exchange markets, the market conditions might at times render the execution of an Order or of a ‘limit’ on an Order (either ‘Stop Loss’ or ‘Take Profit’) at a stipulated price impossible. Accordingly, even though the extent of the losses could be subjected to an agreed upon limit, the risk of incurring losses could be higher, and that loss could occur in a relatively short period of time.
- g. Since deposit of an additional guarantee is not obligatory in this case, we reserve the right, at our sole discretion, to close any outstanding balances without your consent under these circumstances.
- h. Under abnormal Market conditions, CFDs may fluctuate rapidly to reflect unforeseeable events that cannot be controlled either by us or by you.
- i. It is important to make a distinction between Indicative Quotes, which are displayed on charts and Deable Quotes which are displayed on our Online Trading Facility. Indicative Quotes only give an indication of where the Market is. Because the derivatives products Markets are decentralized, meaning they lack a single central exchange where all transactions are conducted, each Market Maker may quote slightly different prices. Therefore, any prices displayed on

Murren Trade

any chart made available by us or by a third party will only reflect "Indicative Quotes", and not necessarily actual "Dealable Quotes" in respect of which Transactions or trades can be executed.

- j. The risk information presented here does not reflect all of the risks as well as other important aspects intrinsic to Transactions in leveraged Financial Instruments. Therefore, before starting to trade, you should learn the specifics of entering into such Transactions in detail or seek further professional advice.
- k. Unless you have elected to carry a trade over the weekend, all trades will automatically close out in the real money mode when market closes at the end of the business week at the rates available on the end of the last trading day of the relevant week. All statements with respect to real money accounts will be open during the weekend and all traders are welcome to view their trading Account info. We reserve the right not to offset Contracts carried over the weekend shortly after markets are open. We may, at our sole discretion, allow offsetting Contracts carried over the weekend when market liquidity conditions are reasonable.
- l. There are a series of inherent risks with the use of the mobile trading technology such as the duplication of Order instructions, latency in the prices provided, and other issues that are a result of mobile connectivity. Prices displayed on our mobile platform are solely an indication of the executable rates and may not reflect the actual executed price of the Order. Our mobile feature utilizes public communication network circuits for the transmission of messages. We shall not be liable for any and all circumstances in which you experience a delay in Price Quotes or an inability to trade caused by network circuit transmission problems or any other problems outside our direct control, which include but are not limited to the strength of the mobile signal, cellular latency, or any other issues that may arise between you and any internet service provider, phone service provider, or any other service provider. Please further note that some of the features available on our Online Trading Facility may not be available on our mobile feature.

72. INVESTOR COMPENSATION FUND

- 72.1 We are a member of the **Investor Compensation Fund** for clients of Cypriot Investment Firms (CIFs) and other Investment Firms (IFs) which are not credit institutions (the "**Fund**"). The object of the Fund is to secure the claims of the clients of regulated Investment Firms against the members of the Fund through the payment of compensation, in cases where the Investment firm is unable, due to its financial circumstances, and when no realistic prospect of improvement of such circumstances in the near future seems possible: (a) to return to its clients funds owed to them or funds which belong to them but are, directly or indirectly, held by the Investment Firm in the context of providing investment services to the said clients, or (b) to hand over to such clients the financial instruments which belong to them and by which the Investment Firm holds, manages or keeps on their account, including the case where the Investment Firm is responsible for the administrative management of the said financial instruments.
- 72.2 The payment of compensation by the Fund to the clients of its members is subject to the existence of a well-founded claim by such client(s) against the Investment Firm, arising from the investment services provided by the Investment Firm to the client in question. The protection scheme is only available to certain types of claimants and claims. Payments to eligible claimants under the Scheme will vary depending on the type of protected claim (e.g. deposits or investments) the claimants hold with respect to the relevant institution
- 72.3 The Fund initiates the compensation payment procedure when at least one of the following preconditions is fulfilled: (a) the Cyprus Securities and Exchange Commission has determined that the Investor Compensation Fund member is unable to meet such of its duties as arise from its clients' claims in connection with the covered investment services or the ancillary services it has provided, as long as such inability is directly related to its financial circumstances in respect of which no realistic prospect of improvement in the near future seems foreseeable, or (b) the Court has, on reasonable grounds directly related to the financial circumstances of the Investment Firm, issued a ruling which has the effect of suspending the Investors' ability to lodge claims against the Investment Firm.
- 72.4 Upon issuance of a decision by the Court or the Cyprus Securities and Exchange Commission, on the commencement of the compensation payment process, the Fund publishes in at least three newspapers of national coverage, an invitation to the clients of the Investment Firm to make their claims against the Investment Firm, designating the procedure for the submission of the relevant applications, the deadline for their submission and their content.
- 72.5 To ascertain the claims of a claimant against the Investment Firm, as well as any counterclaims of the Investment Firm against the claimant, the books kept and the particulars issued by the Investment Firm as well as the supporting evidence produced

by the claimant are taken into consideration. The amount of the compensation payable to each client is calculated in accordance with the legal and contractual terms governing the relation of the client with the Investment Firm, subject to the set of rules applied for the calculation of the claims between the client and the Investment Firm. The valuation of the Financial Instruments pertaining to the compensation payable to the client in accordance with the above paragraph will be carried out based on their value at the day of the publication of the Court ruling or the publication of the decision of the Cyprus Securities and Exchange Commission. The calculation of the payable compensation will be derived from the sum of the total established claims of the client against the Investment Firm, arising from the Services provided by the Investment Firm and regardless of the number of accounts of which it is beneficiary, the currency and place of offering the investment services.

72.6 Payments under the Scheme in respect of investments are subject to a maximum payment to any eligible investor of EUR 20.000,-; insofar as the amount of the claim exceeds the amount of EUR 20.000,- the claimant will be only entitled to receive a maximum amount equivalent to EUR 20.000,-.

73. FURTHER REPRESENTATIONS, WARRANTIES AND COVENANTS

73.1 In addition to, and without prejudice, to any other representations, warranties and covenants set forth in this Agreement, you hereby further represent, warrant, covenant and agree: (a) that you shall be treated as a "Retail client", unless we shall classify or reclassify you as a "Professional client" or an "Eligible Counterparty", depending on the information that you shall provide when completing the registration process or thereafter; (b) that all sums, investments or other assets supplied by you for any purpose, subject to these Terms and conditions, shall at all times be free from any charge, lien, pledge or encumbrance and shall be beneficially owned by you and, in particular, without prejudice to the generality of the foregoing, that, except as otherwise agreed by us, you are the sole beneficial owner of all Margin you transfer under this Agreement, free and clear of any Security interest whatsoever other than a lien routinely imposed on all securities in a clearing system in which such securities may be held; (c) that you act as Principal and sole beneficial owner (but not as trustee) in entering into this Agreement and each Transaction and/or Contract performed hereunder and that no Person other than you has or will have an interest in your Account(s); (d) that, regardless of any subsequent determination to the contrary, trading in leveraged Financial Instruments on the Over-the-Counter Market (and in such other investments as we may from time to time agree) is suitable for you and that you are aware of all risks involved with such Transactions and/or Contracts; and (e) that you are willing and financially able to sustain a total loss of funds resulting from Transactions and/or Contracts performed hereunder.

In the event that we may become suspicious that you may be engaging in or have engaged in such fraudulent, unlawful or improper activity, including, without limitation, money laundering activities, or conduct otherwise in violation of these Terms and Conditions, your access to our Online Trading Facility may be terminated immediately and/or your Account blocked. If your Account is terminated or blocked in such circumstances, we are under no obligation to refund any funds that may be in your account, unless otherwise instructed by a relevant regulatory authority. In addition to terminating your access to our Online Trading Facility and/or blocking your Account, we reserve the right to prevent you from accessing any of our other websites or servers, or accessing any other services offered by us. We shall be entitled to inform the relevant authorities, other online service providers and banks, creditcard companies, electronic payment providers or other financial institutions of your identity and of any suspected unlawful, fraudulent or improper activity and you will cooperate fully with us to investigate any such activity.

require to evidence the matters referred to in this clause or to comply with any Applicable Laws, Rules and/or Regulations.

- 74.1 Neither Party shall disclose any information relating to the business, investments, finances or other matters of a confidential nature of the other Party of which it may in the course of its duties or otherwise become possessed, and each Party shall use all reasonable endeavours to prevent any such disclosure. However, this shall not apply if a Party is obliged hereto due to prevailing legislation, or to a legislative or supervising authority, or to another Person who according to the law is entitled to demand disclosure, or in order to enable the Party sufficiently to fulfil its obligations pursuant to these Terms.

The Client acknowledges that this may include transfers of information to jurisdictions which do not have strict data protection, data privacy laws or banking secrecy laws, inside or outside of the EEA. The Client shall ensure that, before it or anyone on its behalf discloses information relating to any third party to the Company, its Associates or its or their agents or service providers in connection with these Terms and Conditions or any Transactions that said third party has been provided with such information and has given such consents or waivers as are necessary to allow the Company, its Associates its or their agents and service providers to collect, store, process and disclose his, her or its information as described in this clause.
- 74.5 Without prejudice to any provision of these Terms and Conditions relating to information or data or its disclosure, the Client consents to the disclosure by the Company, its Associates and service providers of any information or data in connection with or relating to the Client, the Agreement and/or any Transaction (including, without limitation, pricing data):
- a. to the extent that the Company determines it is required, permitted or desirable to comply with Applicable Laws, Rules and/or Regulations; and
 - b. to the extent not permitted by clause 74.5(a) above, if such disclosure is made to any trade repository registered in accordance with Article 55 of EMIR or recognised in accordance with Article 77 of EMIR or one or more systems or services operated by any such trade repository.

75. FATCA

- 75.1 The Company, its Associates and service providers may collect, store and process information obtained from the Client or otherwise in connection with the Agreement and the Transactions for the purpose of complying with FATCA or other Applicable Laws, Rules and/or Regulations, including disclosures between themselves and to governmental authorities. 76. EMIR

- 76.1 Notwithstanding anything to the contrary in these Terms and Conditions or in any non-disclosure, confidentiality or other agreement between the Company and the Client, the Company and the Client each hereby consents to the disclosure of information to the extent required or permitted under, or made in accordance with, the provisions of EMIR and any applicable supporting law, rule or regulation ("EMIR and Supporting Regulation") which mandate reporting and/or retention of transaction and similar information or to the extent required or permitted under, or made in accordance with, any order or directive in relation to (and including) EMIR and Supporting Regulation regarding reporting and/or retention of transaction and similar information issued by any authority or body or agency in accordance with which the other Party is required or accustomed to act ("Reporting Requirements").
- 76.2 The Client and the Company each acknowledges that pursuant to EMIR and Supporting Regulation, regulators require reporting of trade data to increase market transparency and enable regulators to monitor systemic risk to ensure safeguards are implemented globally.
- 76.3 The Client and the Company each further acknowledges that disclosures made pursuant hereto may include, without limitation, the disclosure of trade and trader information including the Client's identity (by name, address, corporate affiliation, identifier or otherwise) to any trade repository registered in accordance with Article 55 of EMIR or recognised in accordance with Article 77 of EMIR or one or more systems or services operated by any such trade repository ("TR") and any relevant regulators (including without limitation, the European Securities and Markets Authority and national regulators in the European Union) under EMIR and Supporting Regulation and that such disclosures could result in certain anonymous transaction and pricing data becoming available to the public.
